Agenda 4 To consider and approve statutory reserve and dividend payment for 2023

Facts and Rationale

The Company has a policy to pay dividend to shareholders of no less than 50% of its net profit after deduction of all reserves as stated in the Company's Articles of Association and related laws. However, the dividend payment is subject to the Company's future investment plans and business expansion, including other necessity and suitability.

In consideration of dividend payment for profit from disposal of investment or fixed assets of the Company or subsidiaries, it is at the discretion of Management and the Board of Directors to consider whether or not to pay dividend or amount to be paid by taking into account the Company's future investment plans and business expansion, including other necessity and suitability.

The dividend payment of subsidiaries should base on policy of the Company.

In 2023, consolidated net loss of the Company was Baht 753,532,852 or equivalent to Baht 0.05 per share. The Board of Directors has considered and deemed appropriate to propose to the shareholders to consider and approve the omission of dividend payment for 2023 with no statutory reserve.

The comparison of dividend payment is as follows:

Details of dividend payment		2022	2023
1. Net Profit (Loss)	(Baht)	(1,175,134,651)	(753,532,852)

3. Total dividend payment per share	(Baht/Share)	-	-
4. Total dividend payment	(Baht)	-	-

Opinion of the Board

Shareholders should approve the omission of dividend payment for 2023 as the Company had net loss in 2023 with no statutory reserve.

Voting

This agenda item shall be passed by a majority vote of shareholders attending the meeting and casting their votes.

Agenda 5 To consider and approve the election of the Company's directors to replace of those who will retire by rotation

Facts and Rationale

Under Article 17 of the Company's Articles of Association, one-third of the Directors must retire by rotation in the Annual General Meeting of Shareholders. The following 3 directors will retire by rotation in this year:

1. Mr. Piyapan Champasut : Chairman of the Board of Directors / Independent Director / Audit Committee Member
2. Mr. Charoenrath Vilailuck : Director / Risk Management Committee Member
3. Miss Boonrut Mongkolratanakorn : Authorized Director / Corporate Governance Committee Member / Nominating and Compensation Committee Member

The Nominating and Compensation Committee, without members who had conflict of interests, considered all required qualifications of the directors pursuant to the applicable laws, the Company's Articles of Association, and Nomination of Directors and Management as defined in the Company's Corporate Governance Policy. The Nominating and Compensation Committee was of the opinion that the above 3 directors who would retire by rotation had all the qualifications as specified in the Public Limited Company Act B.E. 2535 and securities laws, knowledge, capability and experience in the business relating to the Company's operation where such experience might be applied to enhance the Company's operation efficiency. In addition, they have satisfactory performance throughout their tenure. Therefore, the Nominating and Compensation Committee proposed to elect the above 3 directors who would retire by rotation to be the Company's directors for another term. Information of the proposed directors in replacement of those retired by rotation was shown in Enclosure 2.

In addition, Mr. Piyapan Champasut, Independent Directors and a member of the Audit Committee, is qualified as an Independent Director according to the Independent Director Qualifications of the Securities and Exchange Commission. The Nominating and Compensation Committee, without members who had conflict of interests, considered that Mr. Piyapan Champasut could perform his duties and feel free to give opinions or report work performance as required by the Board of Directors without any influence or control by management or major shareholders of the Company including any related person or relatives of such parties and has director qualifications as the Company's Corporate Governance Policy. The Nominating and Compensation Committee then proposed for consideration of the Board of Directors to re-appoint Mr. Piyapan Champasut as an Independent Director and a member of the Audit Committee prior to further consideration of the shareholders. Qualifications of Independent Director and Audit Committee's member were shown in Enclosure 3.

Opinion of the Board

The Board of Directors, excluding directors who have conflict of interest, has considered and reviewed according to the criteria and procedures for nomination of directors and committees and agreed with the opinion of the Nomination and Compensation Committee that the nominated persons have qualifications suitable for the Company's business. Shareholders should consider the following:

- Approve the re-election of the 3 directors retired by rotation, namely Mr. Piyapan Champasut / Mr. Charoenrath Vilailuck and Miss Boonrut Mongkolratanakorn to be the Company's directors for another term.
- Approve the re-appointment of Mr. Piyapan Champasut as an independent director and a member of the Audit Committee

Agenda 6 To consider and approve the remuneration of the Board of Directors and Committees for 2024

Facts and Rationale

The directors who also be appointed to be the member of any Committees will be paid appropriately more in accordance with the extra work. The Nominating and Compensation Committee will consider the remuneration and propose for consideration of the Board of Directors prior to further approval from the shareholders. Roles and Responsibilities of the Board of Directors and Committees were shown in Part 2 Governance Structure and Key Information of the Board of Directors, Committee, Management, Employees and Others in the 2023 Annual Report.

The remuneration of the Board of Directors and Committees for 2023 was in accordance with the resolution of the 2023 Annual General Meeting of Shareholders, held on April 27, 2023 of not exceeding Baht 4,000,000 consisted of meeting allowance for each meeting participated of the Board of Directors and Committees and bonus, without other benefits. Actual payment of the remuneration for 2023 was Baht 1,770,000 as details in Enclosure 4.

The Nominating and Compensation Committee had considered the remuneration of the Board of Directors and Committees appropriately in line with the general practice of the industry, the Company's growth and expansion. After consideration, the Nominating and Compensation Committee proposed to fix the remuneration of the Board of Directors and Committees for 2024 at the same as previous year of not exceeding Baht 4,000,000. The remuneration consists of meeting allowance for each meeting participated of the Board of Directors and Committees, and bonus without other benefits. The meeting allowance for each meeting participated of Directors and Committees was proposed at the same amount as previous year as follows:

Corporate Governance Committee	20,000	15,000
Nominating and Compensation Committee	20,000	15,000

There is no consideration of meeting allowance for the Executive Committee, the Risk Management Committee and the Sustainable Development Committee since all members are the Company's executives.

Agenda 8

To consider and approve the decrease of the Company's registered capital and the amendment of the Company's Memorandum of Association Article 4 to reflect the capital decrease

Facts and Rationale

In order to comply with Section 136 of the Public Limited Companies Act B.E. 2535 (including amendments) which set out that the Company can increase capital from the registered amount only when all shares have been sold and has received payment for the shares in full, or in the case that not all shares have been sold, the remaining shares must be the shares issued to accommodate the convertible bonds or warrants to purchase shares. Thus, the Company is required to decrease the Company's registered capital at the amount of Baht 1,744,330,251.20 from the registered capital of Baht 5,065,958,253.40 to the new registered capital of Baht 3,321,628,002.20 by canceling 17,443,302,512 unissued shares with par value of Baht 0.10 per share, which are the remaining shares allocated to accommodate (1) the conversion rights of the Convertible Debentures issued and offered according to the resolution of the Extraordinary Meeting of Shareholders No.1/2022 on March 18, 2022 at the amount of 360,952,106 shares and (2) the allocation to the existing shareholders in proportion to their shareholding (Right Offering) according to the resolution of the Extraordinary Meeting of Shareholders No.1/2023 on November 28, 2023 at the amount of 17,082,350,406 shares, and approve the amendment of Clause 4 of the Company's Memorandum of Association to reflect the decrease of the Company's registered capital.

In this regard, the Board of Directors' Meeting approved to propose to the 2024 Annual General Meeting of Shareholders to consider and approve the authorization of the Board of Directors and/or authorized directors and/or Chief Executive Officer and/or any persons appointed by the Board of Directors and/or authorized directors and/or Chief Executive Officer to consider and determine the condition and details related to such capital decrease, as well as to change words or phrases in minutes of shareholders meeting, Memorandum of Association, and/or various registration documents and/or any procedures in order to comply with the registrar's order in filing the registration for the decrease of registered capital and amendments of the Company's Memorandum of Association to the Department of Business Development, Ministry of Commerce.

No.1/2023 on November 28, 2023

Facts and Rationale

Opinion of the Board

The Board of Directors deems it appropriate to propose to the 2024 Annual General Meeting of Shareholders to consider and approve the allocation of the newly issued ordinary shares, whether once or several times, in the amount of not exceeding 4,992,797,080 shares with the par value of Baht 0.10 per share to accommodate the conversion rights of the Convertible Debentures by private placement to AO Fund and AO Fund 1 in addition to the resolution of the 2023 Annual General Meeting of Shareholders on April 27, 2023 and the Extraordinary General Meeting of Shareholders No.1/2023 on November 28, 2023 with the same Terms and Conditions of the Convertible Debentures as approved by the resolution of the said shareholders' meeting. Voting

Agenda 6 To consider and approve the allocation of newly issued ordinary shares to offer to shareholders in proportion to their shareholding (Right Offering)

The Chairman proposed Miss Boonrut Mongkolratanakorn, Director and Corporate Secretary, to report detail of this agenda. Miss Boonrut Mongkolratanakorn reported that the Board of Directors approved to propose to the Extraordinary General Meeting of Shareholders No. 1/2023 to consider and approve the allocation of the newly issued ordinary shares in the amount not exceeding 31,176,169,980 shares, with a par value of 0.10 Baht per share, to offer to existing shareholders in proportion to their shareholding (Right Offering), whether once or several times, in the allocation ratio of 1 existing ordinary share to 2 newly issued ordinary shares, fractions as a result from the calculation of such allocation are disregarded, at the offering price of 0.05 Baht per share. The details are shown in the Information Memorandum Re: Issuance and Offering of Newly Issued Ordinary Shares to Existing Shareholders in Proportion to their Shareholding (Right Offering) (Enclosure 4), which has been sent to all shareholders along with the invitation to this meeting.

The Board of Directors approved to propose to the Extraordinary General Meeting of Shareholders No. 1/2023 to consider and approve the allocation of the newly issued ordinary shares in the amount not exceeding 31,176,169,980 shares, with a par value of 0.10 Baht per share, to offer to existing shareholders in proportion to their shareholding (Right Offering), whether once or several times, in the allocation ratio of 1 existing ordinary share to 2 newly issued ordinary shares, fractions as a result from the calculation of such allocation are disregarded, at the offering price of 0.05 Baht per share.

In addition, since the Company has accumulated losses shown in the statements of financial position and income for the year ended December 31, 2022, and for the period ended at 30 June 2023, the Company may determine the conversion price of convertible debentures lower than the par value of the Company, but not less than 0.01 Baht per share (not lower than its book value at the 2nd quarter which is equal to 0.01 Baht per share). The Company must comply with Section 52 of the Public Limited Company Act (Section 52 of the Public Limited Company Act stipulates that a company that has been in operation for not less than one year, if there is a loss, shares may be offered for sale at a price lower than the par value, but must be approved by the shareholders' meeting and with a definite discount rate).

This issuance and offering of newly issued ordinary shares to existing shareholders of the Company will be an offering of ordinary shares in proportion to the shareholding. If there are fractional shares as a result from the calculation, such fractions shall be disregarded. The existing shareholders have the right to oversubscribe for newly issued ordinary shares. The existing shareholders who oversubscribe shall receive such oversubscription shares only when there are remaining shares from the allocation to existing shareholders of the Company that are fully subscribed, accordingly.

However, in the event that there are newly issued ordinary shares remaining from the allocation to existing shareholders in the first round, the Company will allocate the remaining newly issued ordinary shares to existing shareholders who wish to oversubscribe for the newly issued ordinary shares in excess of their own proportion of shareholding, at the same offering price of shares allocated in accordance to their rights. In such allocation of newly issued ordinary shares, the Company will allocate the remaining shares until there are no more newly issued ordinary shares left from the allocation or until no shareholder wishes to subscribe for such newly issued ordinary shares or is unable to allocate because it is a fractional share, details are as follows:

- (1) In the case that the remaining newly issued ordinary shares after the allocation to the existing shareholders (according to the shareholding ratio) in the first round is more than or equal to the number of newly issued ordinary shares that the existing shareholders oversubscribe, the Company

will allocate such remaining shares to all existing shareholders who have oversubscribed and fully paid for the shares according to the amount of intention shown in oversubscription.

- (2) In the case that the remaining newly issued ordinary shares after the allocation to the existing shareholders (according to the shareholding ratio) in the first round is less than the number of newly issued ordinary shares that the existing shareholders oversubscribe, the Company will allocate the remaining newly issued ordinary shares as follows:
 - (a) Allocate the remaining newly issued ordinary shares in proportion to the existing shareholding of each shareholder who oversubscribes, by multiplying the existing shareholding proportion of each oversubscribed shareholder by the number of remaining newly issued ordinary shares. This is equal to the number of shares that each oversubscribed shareholder is entitled to be allocated (fractional shares resulting from the calculation will be disregarded). However, the number of newly issued ordinary shares to be allocated will not exceed the number of newly issued ordinary shares that each shareholder has subscribed and paid for in full.
 - (b) In the event that there are still newly issued ordinary shares left after the allocation in accordance with (2)(a) above, the Company will allocate it to each shareholder who has oversubscribed that have not been fully allocated, according to the amount oversubscribed in accordance with the method in (2)(a) above until there are no remaining shares to be allocated. However, the number of newly issued ordinary shares to be allocated will not exceed the number of newly issued ordinary shares that each shareholder has subscribed and paid for in full.

The allocation of newly issued ordinary shares to the aforementioned shareholders under any circumstances must not cause shareholders who oversubscribed to hold the Company's shares in a manner that is within the scope of making a tender offer for all of the Company's securities (Tender Offer) according to the Notification of the Capital Market Supervisory Board No. TorJor. 12/2554 Re: Rules, Conditions, and Procedures for the Acquisition of Securities for Business Takeovers or to violate the foreign shareholding restrictions as specified in the Company's Articles of Association. Presently, foreigners are allowed to hold shares in the Company not more than 49% of the total number of issued shares of the Company.

In addition, if there are newly issued ordinary shares remaining from the allocation to the existing shareholders of the Company in proportion to their shareholding and the allocation to shareholders who oversubscribe, as stated above. The Company shall propose to the shareholders' meeting to consider and approve the decrease of the Company's registered capital by cancelling the remaining newly issued ordinary shares from the offering.

Furthermore, the resolution of the Board of Directors of the Company has fixed the date to determine the list of shareholders who are entitled to receive newly issued ordinary shares offered to existing shareholders in proportion to their shareholding (Record Date) on 3 November 2023. For the subscription date for newly issued ordinary shares are during 18 - 22 December 2023 (5 business days). However, the right to subscribe newly issued ordinary shares is uncertain due to the Extraordinary General Meeting of Shareholders No. 1/2023 must approve in doing so.

In this regard, the Board of Directors is of the opinion to propose the shareholders' meeting to consider and approve the authorization of the Board of Directors and/or authorized directors and/or Chief Executive Officer and/or any persons appointed by the Board of Directors or authorized directors or Chief Executive Officer of the Company to consider and determine the conditions, offering price, and details of any actions relevant to the allocation of the newly issued ordinary share, such as, single allocation of newly issued ordinary shares or divided into multiple offerings from time to time, determining the date for subscription and payment of capital increase shares, including to change or add details in the allocation, and to determine other details related to the allocation of such newly issued ordinary shares as deemed appropriate for the utmost benefit of the Company, which shall not be contrary or inconsistent with the law and/or rules or regulations related to the Securities and Exchange Commission, the Stock Exchange of Thailand, and/or other relevant agencies. Such authorizations include but is not limited to the following:

- (1) Determination or alteration of details regarding the allocation of the newly issued ordinary shares of the Company, which includes but is not limited to, the offering period, subscription, share payment, offering method, offering ratio, offering price, as well as, any conditions and details relevant to the allocation and offering of newly issued ordinary shares;
- (2) Signing the application, waiver request, notice, and other relevant documents concerning the allocation of newly issued ordinary shares, in conjunction with communication and filing the document to the registrar or agent of the relevant authority along with listing the newly issued ordinary share of the Company to the Stock Exchange of Thailand; and

- (3) Proceed with the actions, necessary and related, to the allocation of the newly issued ordinary share to offer to the existing shareholder in proportion to their shareholding in accordance to the law and relevant regulations.

Other details are shown in the Information Memorandum Re: Issuance and Offering of Newly Issued Ordinary Shares to Existing Shareholders in Proportion to their Shareholding (Right Offering) (Enclosure 4), which has been sent to all shareholders along with the invitation to this meeting.

This includes the right to attend shareholders' meetings and the right to receive dividends.

8. Other details necessary for shareholders' decision making in the approval of the capital increase/share allocation

In consideration of the impacts on the Company's shareholders, it will be taken into consideration the impact of the Convertible Debentures in case the Company issued and offered Convertible Debentures to investors. In this regard, two aspects of the impacts on the shareholders of the Company will be taken into consideration, which are, impact to the market price of shares (Price Dilution) and impact to the voting rights of existing shareholders (Control Dilution), with details as follows:

(1) Price Dilution

Price Dilution can be calculated from the following formula:

Price Dilution = $(P_o - P_e) / P_o$ Whereas;

P_o = The existing share price, which is 0.0479 Baht per share, is based on the weighted average price of the Company's shares listed on the Stock Exchange of Thailand for the past 15 consecutive business days prior to the date on which the Board of Directors resolved to propose the agenda to the 2024 Annual General Meeting of Shareholders to consider and approve the issuance of newly issued ordinary shares to accommodate the conversion of convertible debentures to a private placement, which is between February 21, 2024 and March 13, 2024.

P_e = The conversion price of convertible debentures at 90% of the market price assuming equal to P_o , which is 0.0431 Baht per share.

P_e = share price after the offering of convertible debentures, where;

$P_e = ((P_o \times Q_o) + (P_e \times Q_e)) / (Q_o + Q_e)$

Q_o = Existing shares, which equal to 30,569,707,258 shares

Q_e = Number of shares arising from the conversion of convertible debentures which number of shares allocated to accommodate the conversion amounts to 4,992,797,080 shares. Therefore

$P_e = (0.0479 \times 30,569,707,258) + (0.0431 \times 4,992,797,080) / (30,569,707,258 + 4,992,797,080) = 0.0472$ Baht per shares

Price Dilution = $(P_o - P_e) / P_o = (0.0479 - 0.0472) / 0.0479 = 1.46\%$

In the event that the convertible debentures are fully exercised into ordinary shares of the Company, will affect the stock's market price by 1.46%, which is the case when the Company issued and offered the most convertible debentures at the conversion price equal to 90% of the P_o .

(2) Control Dilution

Control Dilution can be calculated from the following formula:

Control Dilution = $Q_e / (Q_o + Q_e)$ Whereas;

Q_o = Existing shares, which equal to 30,569,707,258 shares

Q_e = Number of shares arising from the conversion of convertible debentures which number of shares allocated to accommodate the conversion amounts to 4,992,797,080 shares.

Control Dilution = $4,992,797,080 / (30,569,707,258 + 4,992,797,080) = 14.04\%$

In the event that the convertible debentures are fully exercised into ordinary shares of the Company, the control dilution of the shareholders will be 14.04%.

9. Time schedule of action in case the Board of Directors passes a resolution with the approval of the capital increase/share allocation
