The Conversion Price is not less than 90 percent of the weighted average price of the Company's shares trading on the Stock Exchange of Thailand for not less than 7 consecutive business days but not exceeding 15 consecutive business days prior to the date that the Debenture holders exercise their conversion rights. Therefore, it does not meet the criteria to prohibit the sale of shares within 1 year from the date of receiving the convertible securities (Silent Period). The Company may determine the conversion price of convertible debentures lower than the par value of the Company, but not less than Baht 0.01 per share, which has been approved by the 2023 Annual General Meeting of Shareholders on April 27, 2023 and the Extraordinary General Meeting of Shareholders No.1/2023 on November 28, 2023. The weighted average price is calculated from the volume weighted average price of the Company's shares for each consecutive business days (Floating Conversion Price). The market price will be calculated with two digit decimals while the conversion price will be

calculated with three digit decimals. Details of convertible price calculation using data from www.setsmart.com are as follows:
